Summary of events

on or about 11-9-2019 I was being held in "E" block at the St. Croix County Jail on charges that I have been found innocent/exonerated of when I was without being provided reason asked to cuff up threw the bars of cell # 3 and I was then escorted to the hallway between booking and the cell blocks. At this point I was met by 3 female and 2 male officers one female had brought me and one male had shown up shortly after. I was searched by a officer named Fred who was physically rough with me and pulled my pants down below my genitals in front of the 3 women officers he then left my penis out of my pants throughout the pat search and frisk and handed me off to officer Charles meyer with my genitals still out and my pants pulled down half way on my butt. At this point I believe 2 of the females had left and I asked Charles meyer about "hey are you gonna put my dick back in my pants", as I was still in cuffs and a mid section belt if I recall correctly.

Summary of events and requested remedies that I seek

At this point Officer Meyer chuckled at me/grined and said "O we will get to that" then tried to keep from answering my question he stated that I needed to go with him as he marched me threw the hallway with my penis out, threw the door into the booking area of the jail and into the room where inmates are typically searched. I was then taken out of restraints and directed to strip naked and spread my legs and was completely and totally nude for this portion I was then told I could put cloths on and escorted back to my block without explanation as to why I was just humiliated and handled roughly then paraded nude/exposed throughout the jail and chuckled/laughed at.

I seek reprimand of both male officers, up to and including suspension / Firing ect

I seek a no contact and restraining order on both male

Remedy I am seeking

Officers as I have since had more issues with Meyer making statements in Sept of 2021 about not appropriate things such as "Seing was got the bigger dick" and witnessed by Justin Rejer/body camera.

I seek ~~\$10,000.00~~ ¹⁰⁰ USD For undue hardship and or abuse by public humiliation.

^{AJM/STHSE}
I seek ~~\$35,000.50~~ ¹⁰⁰ USD For the unlawfull pat/frisk that had occured while being unlawfully detained on charges that were dismissed and seek this seperatly from the undue sexual humiliation/strip search ect.

I seek that the vidios of this 11-9-19 embareasing incodent be destroyed upon the closing/setteling of this matter.
